- Francis Char DeCroos, M.D.**

For over 36 years Southeastern Retina Associates (SERA), the most experienced team in East Tennessee, has taken care of complex vitreoretinal cases in our region. Our state-of-the-art subspecialty ophthalmological practice specializes in the diagnosis, treatment, and management of diseases of the retina, macula, and vitreous of the eye.

## Clinical Research

Our physicians place a high priority on our commitment to the advancement of medical research. Southeastern Retina participates in several clinical trials that are investigating new forms of treatment for macular degeneration, diabetic retinopathy, and a variety of other retinal conditions.

More information on clinical trials is available at [southeasternretina.com](http://southeasternretina.com)

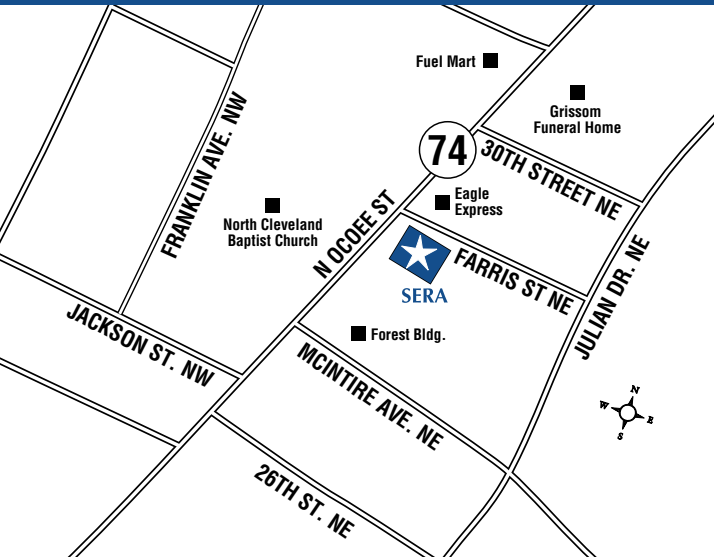

To ask about trials currently enrolling and the requirements to take part, patients or referring physicians may call SERA's Clinical Trials Coordinator in Chattanooga at **423-756-1002**.

Our board certified ophthalmologists specialize in the treatment and surgery for diseases of the retina, macula and vitreous of the eye. For more than 36 years, our physicians and surgeons have demonstrated excellence in the treatment of vision-threatening diseases, including:

- Age-related macular degeneration
- Branch retinal vein occlusion
- Central retinal vein occlusion
- Central serous retinopathy
- Complications of cataract surgery
- Cystoid macular edema
- Degenerative myopia
- Diabetic retinopathy
- Inherited retinal disorders
- Lattice degeneration
- Macular holes
- Macular pucker
- Pediatric and neonatal retinal disorders
- Penetrating ocular trauma
- Retinal tears / detachment
- Uveitis
